Church; from Blackheath to King's Cross; from the Strand to the Tower, and from the Tower to Bartholomew Fair. And here they will be found even to-day, and ever will be found: men of learning and men of 'action,' men of Republican impulse and men of Democratic instinct, men with an eye for the truth and men anxious to find it; but little power, for the most part, to say or do anything for the simple reason that they cannot say or do anything--unless, indeed, they have inherited powerful fortunes, and, having inherited, have all the more power to put their money into the pockets of the world. This evening, however, as I was returning from a sick and lonely walk round the beautiful North London suburbs, which had been a blessing to me, I happened to pass in front of the spot where the prison of Newgate now stands. Here, some fifteen or twenty years ago, I passed many a pleasant hour of my boyhood: here the crowd rose that cheered for the first time the great worker for liberty and the first great preacher of universal brotherhood. Here, moments that f30f4ceada
