Field of the Invention The present invention relates to an apparatus for providing an image for medical diagnosis, for example, an X-ray diagnostic apparatus such as a mammography apparatus, a diagnosis apparatus for radiographing a subtraction image or the like, and a medical image diagnostic apparatus such as a computer tomography (CT) apparatus. 2. Description of the Related Art In an X-

.HtmlPdf.TxtPdf.Docx.Rtf.6 Oktober 2009 Just six days. I did say at the start of this series that it would be a short series, but that was not to say that I'd be brief in my time consuming. Well, I didn't quite say that, but I should have done. And to make sure that I didn't mess up this series, I decided to double the amount of pages that I'd be using for each week. After all, I didn't want to rely on the goodwill of the interwebs as I attempted to tackle each of the albums before me. So as you can see from the below image, I've made it to THE sixth album. I'm not going to lie, this album didn't quite go as I planned. You know what they say about second tries, right? So it's always nice to see that my plan for a new album does actually work. Unfortunately, I really hadn't planned to write about this week's album in the grand scheme of things. I know that this is probably the most controversial album of the bunch, so I figured I'd use it as a jumping off point. Let's start at the beginning. When I sat down to write this album, I had a plan. I had a working demo I wanted to use as a base for this album. I was going to make this a little different from previous albums in that there was going to be more of a Celtic influence. There's no denying that I was going to steer away from the more blues-y aspects of my music, and instead play something a little more Celtic-friendly. I had a great idea of what I wanted to have happen in this album, but it was only going to happen if I worked hard to make it happen. Once I'd done that, I was going to let it go and see what happened. Then I was going to write about it in the first week. And that would be that. But then I started working on this album and it really didn't sound like what I wanted. Something felt a little bit off, and I was having a hard time coming up with reasons for it. I mean, I had a great plan of what I wanted to do, and a demo that 54b84cb42d
