

ATM MACHINES FOR SALE IN NEW JERSEY

[Ocean ATM](#) was founded in 1997 and has been providing superior ATM services to our valued client base as we have continued to expand steadily. Since our inception, we have grown from a local presence on the Jersey Shore, to proudly serve a nationwide network of distributors, merchants, and their customers, spanning from coast to coast. We pride ourselves on maximizing our merchants' profits, while reducing their headaches and simplifying their dealings with their ATM(s).

Atm Machines for Sale NJ

- *Ocean ATM helps small business owners focus on their core business by alleviating headaches and hassles associated with the operation of their ATM(s). We're committed to supplying only the best in customer service and support. We provide all customers with a 24 hour a day, toll-free technical support line, along with 365 day a year on site service from our certified, and well-trained technicians. By keeping our ATM machines, as well as our merchants' ATM machines in optimal operating condition, we are able to minimize downtime thereby increasing our customers' profits.*

Nautilus Hyosung MX 2800SE FORCE ATM

All customers receive the 1st 90 days of our full parts and labor warranty for free. Continued coverage is \$.20 per transaction with a \$19 monthly minimum. We highly recommend you increase your intended surcharge by \$.25 to offset this warranty fee and insure that you have full parts and labor
