

Parkinson's Care at Dua Old Age Caring Institution

Compassionate, Expert Care for Your Loved Ones in Greater Noida

Specialized Parkinson's Support

Memory Care Excellence

Dedicated support for Parkinson's, Alzheimer's, and Dementia patients with specialized programmes tailored to each condition's unique challenges.

24/7 Medical Supervision

Qualified nursing staff available round-the-clock with regular doctor visits ensuring continuous medical monitoring and care.

Targeted Physiotherapy

In-house physiotherapy specifically designed for Parkinson's patients to address mobility, balance, and motor function challenges.

Daily Use Assistance (DUA)

Dignity, Understanding, Assurance

Personalised Daily Care

Compassionate assistance with dressing, grooming, eating, mobility, and medication reminders tailored to each resident's needs.

Respectful Caregiving

Professional caregivers focused on maintaining dignity, independence, and comfort whilst providing essential support.

Core Values

Every resident receives treatment with dignity, empathy, and reliable support in a nurturing environment.

Why Choose Dua for Parkinson's Care?

Comprehensive Advanced Care

Expert support for all stages of Parkinson's, including specialised care for bedridden and paralyzed patients with advanced medical needs.

Nutritious Meal Planning

Carefully designed, balanced meals that cater to seniors' specific health requirements and dietary restrictions for optimal nutrition.

Holistic Well-being

Emotional and spiritual support creating a peaceful, home-like environment that promotes mental health and overall well-being.

Family Partnership

Transparent communication and active family involvement encouraged to ensure collaborative care and peace of mind for loved ones.
