

Dua Old Age Caring Institution

Premier Memory Care Home in Noida, India

Made with GAMMA

The Growing Need for Memory Care in India

Rising Dementia Cases

Over 5 million Indians currently live with dementia, a number projected to triple by 2050, highlighting an urgent public health challenge.

Family Caregiving Strain

Families often face immense challenges in balancing professional and personal lives with the demanding 24/7 care for loved ones with cognitive decline.

Demand for Specialised Care

This growing demographic necessitates dedicated memory care homes, offering tailored, compassionate support for Alzheimer's and dementia patients.

Introducing Dua Old Age Caring Institution

1

Established in **2018**, Dua Old Age Caring Institution in Noida, Uttar Pradesh, stands as a beacon of dignified eldercare.

2

We specialise in **compassionate memory care**, ensuring every resident receives personalised attention and respect.

3

4

Our dedicated team comprises **174 trained professionals**, all proficient in dementia and Alzheimer's specific care practices.

Specialised Memory Care Services at Dua

→ Secure & Safe Environment

Our facility is thoughtfully designed to prevent wandering and minimise accidents, offering peace of mind to families.

→ Cognitive Stimulation Therapies

We provide tailored activities and therapies to maintain cognitive function and engagement, adapted to each resident's abilities.

→ 24/7 Medical & Nursing Care

Continuous medical supervision and professional nursing care ensure residents receive prompt attention for all health needs.

→ Emotional & Social Support

Our programs focus on enhancing quality of life, reducing anxiety, and fostering a sense of belonging through meaningful interactions.

Why Families Trust Dua Old Age Caring Institution

Truly Personalised Care

Every care plan is meticulously crafted to honour the resident's unique history, preferences, and individual journey, ensuring dignity and respect.

Expert & Compassionate Caregivers

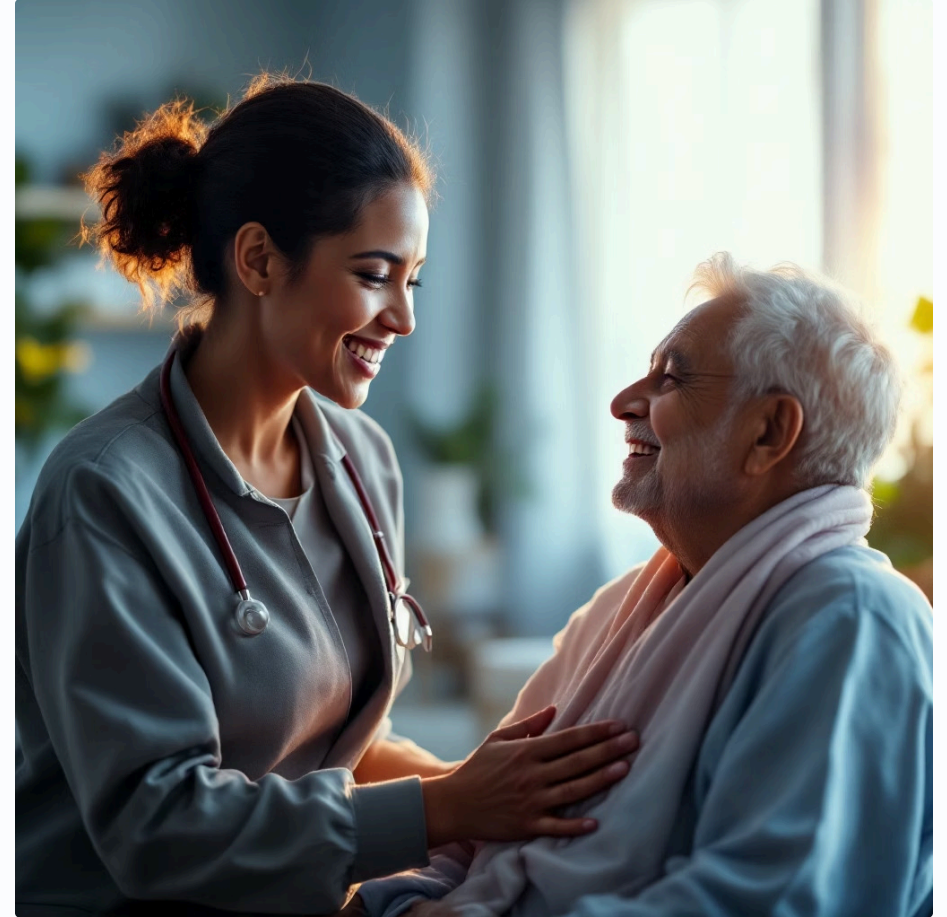

Our team consists of highly skilled professionals, rigorously trained in the best practices of geriatric and memory care, delivering empathetic support.

Transparent Communication

We maintain open and regular communication with families, providing timely updates and involving them in the care process.

Holistic Well-being Approach

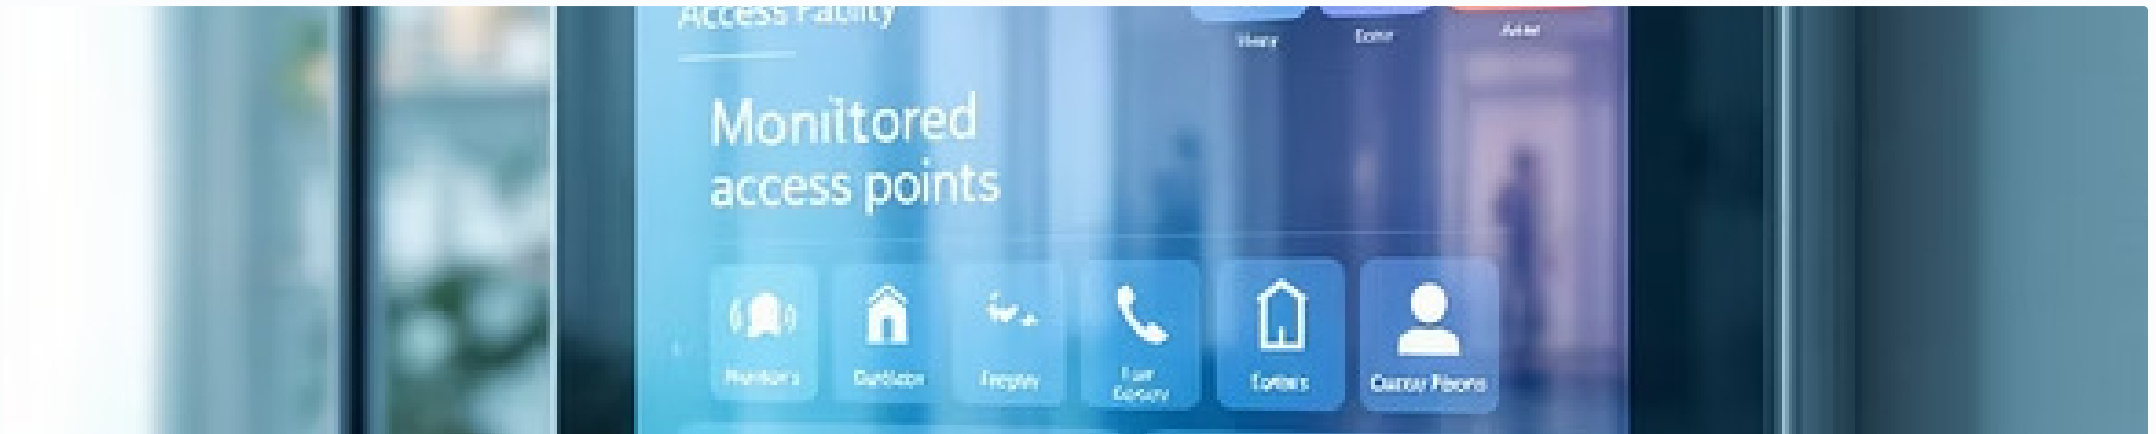

Beyond medical attention, we encompass emotional, social, and recreational support, nurturing the whole person for improved quality of life.

Our commitment is to provide a nurturing environment where your loved ones feel safe, cherished, and truly at home.

Facilities Designed for Comfort and Safety

Dua Old Age Caring Institution boasts state-of-the-art facilities crafted to provide maximum comfort, security, and engagement for our residents.

From secure living spaces to integrated emergency systems, every detail is considered to support independence and dignity.
