Comprehensive Daily Use Assistance (DUA)

What is DUA?

DUA stands for **Dignity, Understanding, and Assurance** — the three core values that guide every aspect of care we provide to our residents.

Personalized Daily Support

Our trained caregivers offer personalised help with essential daily activities including grooming, dressing, eating, mobility assistance, and medication reminders.

We ensure that each resident maintains their independence and dignity whilst receiving the support they need for comfortable everyday living.

Specialized Elder Care Services

We understand that every senior has unique needs. Our specialized care programmes are designed to provide expert attention for diverse requirements.

1

NRI Elder Parents Care

Tailored support specifically designed for families living abroad, ensuring your parents receive excellent care whilst you're away. Regular updates and transparent communication give you peace of mind.

2

Memory Care

Expert attention and compassionate care for residents with dementia, Alzheimer's, and Parkinson's disease. Our trained staff provide specialized cognitive support and a safe environment.

3

Comprehensive Assisted Living

Dedicated care for disabled, paralyzed, and bedridden residents with round-the-clock compassionate supervision, ensuring comfort and dignity at all times.
