Why Choose Dua for Your Loved Ones

Compassionate Care

Every resident receives personalised attention rooted in empathy, respect, and understanding of their unique journey.

Expert Team

Highly trained caregivers and healthcare professionals dedicated to holistic well-being around the clock.

Homelike Environment

Warm, welcoming spaces designed to provide comfort, security, and a true sense of belonging.

Family Partnership

Transparent communication and collaboration ensure families remain connected and informed every step of the way.

Compassionate Leadership Driving Excellence

Founded by Sadiq Khan

A passionate healthcare entrepreneur with over 7 years dedicated exclusively to transforming senior care in Noida, India. Sadiq's vision emerged from witnessing the profound need for dignified, comprehensive elderly care that honours each individual's lifetime of experiences.

Our Vision

Redefining elderly care through the pillars of **dignity**, **empathy**, and **professional excellence**—creating a sanctuary where seniors thrive.

Trusted by Families

Recognised across Noida for delivering safe, person-centred care including assisted living, specialised dementia and Alzheimer's support, and advanced ICU services.

Our Core Services

Assisted Living

Independent living with support—spacious accommodations, nutritious meals, medication management, and assistance with daily activities whilst preserving autonomy and dignity.

Dementia & Alzheimer's Care

Specialised memory care programmes designed by experts, featuring secure environments, cognitive stimulation activities, and trained staff who understand the unique challenges of memory loss.

ICU & Critical Care

Advanced medical support for seniors requiring intensive monitoring—equipped with state-of-the-art technology, 24/7 medical supervision, and collaboration with leading hospitals.

Care That Goes Beyond Medicine

At Dua, we understand that true wellness encompasses far more than physical health. Our approach nurtures the mind, heart, and spirit of every resident.

Comprehensive Care Beyond Physical Needs

01

Integrated Healthcare Services

Seamlessly coordinated assisted living, dementia & Alzheimer's care, and ICU support—all under one roof. Our multi-disciplinary team ensures continuity and excellence at every stage.

02

Emotional Well-being Focus

Daily meaningful connections, empathy-driven interactions, professional mental health support, and therapeutic activities that honour each resident's emotional landscape and life story.

03

Personalised Care Plans

Every resident receives a bespoke care strategy tailored to their unique health conditions, lifestyle preferences, cultural values, and personal goals—reviewed and adjusted regularly.

Medical Excellence

Regular health assessments, medication management, physiotherapy, and specialist consultations.

Nutritional Care

Customised meal plans prepared by nutritionists, accommodating dietary restrictions and cultural preferences.

Safety & Hygiene

Hospital-grade cleanliness, secure premises, emergency response systems, and infection control protocols.

Creating Comfort, Connection & Community

Meaningful Daily Routines

Thoughtfully designed schedules that balance structure with flexibility—morning exercises, cultural programmes, hobby workshops, spiritual activities, and relaxation time foster comfort and purpose.

24/7 Skilled Caregiving

Our compassionate team of trained professionals provides round-the-clock support, ensuring immediate assistance, constant companionship, and vigilant monitoring of each resident's safety and well-being.

Holistic Wellness Approach

We nurture the complete person—**physical health** through medical care and fitness, **emotional wellness** through counselling and connection, and **social vitality** through community engagement and family involvement.

At Dua, residents don't just receive care—they experience belonging, celebrate life's moments, and continue growing in a supportive community.
